COVID-19 Interim Report

Will you get the COVID-19 vaccine when it is available to you?

This data was collected from December 18, 2020 to April 22, 2021 as part of the most recent iteration of the COVID-19 Disability Survey. This survey is conducted by the Abilities Centre in partnership with the Canadian Disability Participation Project to record the experiences, concerns and needs of Canadians with disabilities during the COVID-19 outbreak and recovery period.

Disability
